

## Easter at One of the Four Corners of the Earth

FOGO ISLAND – MARCH 19, 2015  
For Immediate Release

In early April, the seasons on Fogo Island teeter on the edge of deciding whether it is ice season or if spring is taking over. Either way, Easter at Fogo Island Inn signals the other side of winter and a time to celebrate with friends, family and loved ones. This Easter long weekend is being packaged up by Fogo Island Inn with a special two-night getaway: **Easter on One of the Four Corners of the Earth**, beginning April 3 through to April 6, 2015.

In company with a Community Host, discover the rich 400 year-old history of this "Salty Narnia," its wildlife, people and culture. Get an up-close experience of the pack ice that the Labrador Current has brought to the island's harbours and bays. Climb up Brimstone Head, one of the four corners of the flat earth. Included in the two-night package is an island orientation with a community host, a coastal ice hike to the Great Auk with a local pack ice expert, a Sunday Easter egg hunt and two Easter signature cocktails.

After a day out and about, guests may cozy up in their room with a wood fire or enjoy the quiet comfort and soothing pleasure of the Nordic sauna, take a dip in one of the rooftop hot tubs, or simply enjoy the special Easter Cocktails in the lounge---sourced especially for the occasion by resident mixologist, Jacob Luksic,

Friday night arrivals will be treated to a Good Friday all seafood menu in the Inn's award winning dining room. Sunday's supper is traditional Newfoundland family style, as interpreted by Executive Chef, Murray McDonald.

On Easter Sunday an indoor Easter egg hunt throughout the Inn's public spaces will have guests "on the hop," scouring every nook and cranny of the Inn. Additional edible Easter surprises, made possible only by the Easter Bunny---with help from the Inn's Pastry Chef Kara Lackie---will appear on each guest's stay.

This full board package beginning at \$1,275 per night, exclusive of taxes, is based on two persons. This includes: all meals, an island orientation with a community host, a walk to the Great Auk, a Sunday Easter egg hunt and two Easter signature cocktails. Solo travellers will pay \$200 per night less for this package. Family packages are also available. Reservations may be made by calling 709-658-3444 or toll free 855-268-9277

Fogo Island Inn sits on an Island, off an Island, off one of the four corners of the Earth. Every one of the Inn's 29 one-of-a-kind guest suites has dramatic floor-to-ceiling windows that open onto the wildest and most powerful ocean on the planet, located less than 100 feet from an organic natural-fibre dream bed. Most suites have a wood-burning fireplace stove; all are furnished with quiet luxuries and handmade furniture and quilts --- a stimulating relief from the numbing uniformity of modern times. Built on the principles of sustainability and respect for nature and culture, the award-winning Inn was designed by architect Todd Saunders.
