FOGO ISLAND INN AWARDED THREE MICHELIN KEYS

The MICHELIN Guide Announces Top Honours for Canadian Hotels in 2024

FOGO ISLAND INN, Newfoundland and Labrador, September 17, 2024— Fogo Island Inn is one of only two Canadian hotels to receive the Three Key recognition from the MICHELIN Guide, joining only 20 other properties in North America with the top Three Key distinction.

This new designation awarded to hotels by the prestigious MICHELIN Guide was introduced to North America for the first time in 2024. The keys aim to guide travelers to accommodations that stand out for their unique hospitality concept, distinctive character, warm welcome, and exceptional levels of service.

“We are deeply honoured to receive the MICHELIN Three Key recognition, an acknowledgement of our commitment to originality, regenerative practices, caring service, and the importance of place. At Shorefast, place is central to everything we do, and Fogo Island Inn is a testament to that belief,” said Amanda Decker-Penton, Managing Director at Fogo Island Inn.

“This achievement reflects the dedication of our incredible team, whose passion ensures that every guest experiences and understands the essence of Fogo Island. This recognition also belongs to our community, whose love and pride shape the heart of our work. Thank you for this honour and for inspiring us to continue nurturing this extraordinary place for future generations.”

Newfoundland’s Fogo Island Inn offers 29 one-of-a-kind rooms and suites featuring floor-to-ceiling views of the Atlantic. The award-winning Inn is built on the principles of sustainability and respect for nature and culture. An initiative of the Canadian charity Shorefast, Fogo Island Inn is a community asset that sees 100% of its operating surpluses reinvested into the community to help secure a resilient future for Fogo Island.

In November 2023, Fogo Island Inn joined the world-renowned group Relais & Châteaux, comprised of 580 hotels and restaurants, dedicated to forging a better world through exceptional hospitality and cuisine. More recently, the Inn was recognized by The Telegraph Hotel Awards as one of the 50 best hotels in the world.
