

## Stargazing At One of the Four Corners of the Earth

*Available All Seven Seasons*

Explore the skies at the edge of the Earth over Fogo Island. The delightful disorientation of stargazing excursions will reorient guests to the natural world as they come to know Fogo Island's place in the unknowable universe. Guided activities include a Dark Sky hike to lookout points, late evening strolls around the harbor, and daily sunrise and sunset hikes. Independent stargazing from the Inn's best vantage points with binoculars will bring the magic and marvels of the night sky into sharp focus, and private, self-guided dark sky viewing by the naked eye from the rooftop's outdoor hot tubs is, of course, encouraged. Indoor and outdoor sing-alongs of songs about the sun, moon, stars and planets with Community Hosts often turn out to be soundtracks of the weekend.

*The **Stargazing at One of the Four Corners of the Earth** two- or three-night itinerary (depending on the season) at Fogo Island Inn includes all meals, an Island Orientation with a Community Host, and a range of outdoor activities and excursions. ## Sample 2-Night Itinerary

### DAY 1

#### AFTERNOON

Arrive on Fogo Island and allow the Island to reveal itself on the drive through outport communities as you make your way off to your refuge, Fogo Island Inn. Take time for exploration.

Check into Fogo Island Inn, a traditional yet contemporary masterpiece of modern architecture and design. The Inn was named as Travel & Leisure's Best Resort Hotel in Canada, 2017 and 2018 – among the country's best hotels from coast to coast.

#### LATE AFTERNOON

Relax in your room after your long journey, gazing outside the floor-to-ceiling windows at the powerful North Atlantic crashing seemingly at your fingertips. When you're ready, make your way down to the Lounge for a warm beverage by the fire or a pre-supper cocktail.

#### 6-9PM

Supper is served in the Dining Room, where the provenance of every menu is inspired by the seasonal tastes of the outport terroir. Everything coming out of the kitchen is intended to feed more than your hunger.

#### EVENING

It's time to unwind as you head to the rooftop for a soak in the hot tubs, stargazing as Fogo Island's dark skies fill with an infinite number of celestial bodies.
